### Terms and Conditions

    - 1.1.1 All assignments to a residence hall space are contingent upon acceptance and regular enrollment at CSULB. If the resident's admission is rescinded or the resident is disqualified between semesters for failing to continue to meet the eligibility requirements listed above, it is the responsibility of the licensee to notify HRL.
    - 1.1.2 An undergraduate Licensee must remain enrolled in at least seven (7) course units per semester at CSULB to be eligible to license a bed space in student housing. For graduate students, the student must maintain three (3) credits per semester. Students who are enrolled in a non-matriculating program (i.e., CIE, ALL...) must maintain fulltime status with their program. Licensees enrolled in fewer than the above prescribed units by the completion of the Student Registration or at any point in the semester drop below minimums are subject to revocation of room assignment and License Agreement.
2. **Terms:**
  - 2.1 In consideration for the right to participate in the student housing program, which includes assignment to bed space and a mandatory meal plan within one of the following HRL student housing facilities, Licensee agrees to make payments to HRL as provided in Section 6 of this License Agreement. Award of a bed space does not guarantee a specific room type, room location, or roommates.
  - 2.2 This License Agreement is subject to the regulations contained in Title 5, California Code of Regulations, Division 5, Chapter 1, Subchapter 5, Articles 5 and 6: "[Housing](#)", and "[Meals](#)," which are incorporated into and made part of this License Agreement. Aid status outlined in Section 5.4 of this License Agreement. However, submission of a fully executed License Agreement does not guarantee a bed space in Student Housing; if a bed space is available, HRL will send an electronic communication to Licensee to verify receipt and acceptance of the License Agreement. Once HRL accepts the License Agreement, all financial and other terms outlined in this License Agreement shall be binding. HRL will not issue building or room access until Licensee pays the Housing Service Fee and is registered as a CSULB student with the minimum necessary semester units.

- 2.5 Bed space and assignment of a specific room type and location are at the sole discretion of HRL on an available space and administrative need basis.
- 2.6 This License Agreement does not create a lease or any other possessory interest in real property.
