A housing fee waiver valued at approximately $4,475 for fall 2021 and spring 2022, respectively, will be reported to the Financial Aid Office. Students should consult with the Financial Aid Office if they have questions prior to accepting the position.

This waiver will cover the cost of housing if the officer is placed in a standard room with a roommate. If the officer is assigned to a single room or a building that costs more than waiver the officer will be responsible for paying the difference at the scheduled due dates listed in the license agreement. Please note that a stipulation of receiving the housing waiver is that officers may be asked to assist with housing tours, including, but not limited to, showing their rooms to prospective students as needed. Officers are also still required to pay for their meal plan and social activities fees.

I understand that if, at any time, it is deemed that I am not meeting these expectations that I will be ineligible to receive all or part of the compensation provided by Housing and Residential Life and may be asked to resign by the RHA Executive Board or Advisor(s). Further, I understand that this agreement is subject to change to account for approved changes to the RHA Constitution or if a decrease in residence hall occupancy or functionality requires hall closings and/or student reductions or relocations. To verify my eligibility, I grant the RHA Advisor(s) permission to access my educational records with the University.
