

Dear,

We wish to update you on the Roommate Selection Process. We are currently dealing with some technical difficulties with this process. We have been working with our Tech Support to fine the issue and resolve. Due to this technical issue we are pushing back the dates for Roommate Selection so that Tech Support has enough time to investigate to fix the problem.

NEW DATES FOR ROOMMATE SELECTION

Thursday June 20th - Friday July 5th

For those who who did manage to get through and find a roommate during the initial start of the roommate selection, we will review to make sure the tech issue did not affect it. If it did not we will honor the pairing.

A reminder email will be sent out prior to the new start date.

Thank you for your patience in this matter.

Sincerely,

Roshan Jayasinghe
