

Dear Parents and Guardians,

We are excited to welcome your student on move-in days, August 22nd and 23rd. We usually communicate with students directly, but we want to ensure everyone is informed.

**Move-in Information:**

- Please review the [Move-in Website](#) and watch the tips and tricks video.
- Arrive close to your move-in time to avoid long waits.
- We have limited assistance and carts, so consider bringing your own dolly or wagon.
- Check the packing [checklist](#). Note: Electric bikes, skateboards, and scooters are not allowed in the halls due to fire risk.
- Bring a water bottle; we will have filling stations. Expect sunny days with temperatures in the mid-to-high 70s.

**Beach Bash:** Visit our Bookstore for special events and deals as part of the annual [Beach Bash](#).

**Residential Dining:** Enjoy a free lunch at one of the residence halls during move-in.

**Important Dates:** Review our [important dates calendar](#) for travel planning and hall opening and closing dates.

**Beach Days:** After moving in, students will participate in “Beach Days” to build community, learn expectations, and have fun. Mandatory sessions are required, and we encourage full participation. More information is available on [Beach Days](#).

**General Information:** We have videos on common questions about Housing and an introduction to Residential Dining Services on the [Parent and Guardian Resources page](#).

Thank you. We look forward to seeing you during move-in days.

Best,

Housing and Residential Life
