Subject: CSULB HOUSING: Spring "Back from Holiday Check-In"

**Housing and
Residential Life**

**CALIFORNIA STATE UNIVERSITY
LONG BEACH**

Hello,

We hope that your holiday break was relaxing and enjoyable. We look forward to your re-arrival to the halls and, for some, we are excited to welcome you to the Residence Halls. In gearing up for the Spring semester, we wanted to remind residents of the "Back from Holiday Check-In" process.

Returning Residents:

Upon arrival, we ask that you stop by your Service Center during regular business hours to check in. This will allow us to make sure that all our residents are accounted for when the Spring Semester begins. This must be done by **Monday, January 20th at 10 pm**. Failure to do so may result in loss of access to your building and room.

New Residents:

You will check in at the Service Center in your Residential Village. You will need to have your Campus ID in order to get into your room. If you did not get one at orientation or you have lost it, please go to ID Card Services before checking in. Make sure to mention that you are an on-campus resident. Once your card is activated, you will be shown to your room.

Arriving Later:

If you are planning to arrive after Monday January 20th, please email us at housing@csulb.edu with your name and id and when you are planning to come to the halls.

If you have lost/misplaced your Campus ID card during Winter Break, please go to ID Card Services before checking in, to replace your card. There is a \$5.00 charge. [Click here for ID Card Services hours and information.](#)

Thank you and we look forward to seeing you all!
