

CALIFORNIA STATE UNIVERSITY
LONG BEACH
Student Housing

Dear

We are excited to welcome you to La Playa, our newest student housing community, opening this fall.

La Playa represents a new chapter in on-campus housing, designed with your success, connection, and comfort in mind. From modern living spaces to thoughtfully designed community areas, La Playa will offer an exceptional residential experience from the moment you arrive.

As we prepare for opening, we want to share an important update.

Our team, along with our campus partners and construction teams, is working diligently to ensure that every detail of the building meets our standards for quality and safety.

As we continue these preparations, please plan to move in on Sunday, August 23, one day before classes begin.

Should any adjustments become necessary, we will notify you promptly and provide clear next steps. You will receive weekly updates from us through the completion of move-in. Please review these communications carefully, as they will contain important information about your arrival.

You will be the first residents of this state-of-the-art building. With any new building, minor adjustments may still be needed after move-in. We will respond promptly to any issues that arise. Thank you in advance for your

patience and understanding.

We are incredibly excited for you to experience La Playa, where you will live, learn, and thrive. We look forward to seeing you soon and watching this vibrant new community come to life.

If you have signed up for a move in timeslot for August 20th or 21st, please note that time is no longer applicable and you will need to sign up again for another timeslot for August 23rd.

Sincerely,
Student Housing
